

Exclusive to Melbourne Private Tours, this experience enables delegates to really touch, taste, connect and learn about the Mornington Peninsula and all that it has to offer.

Embrace the day with a scenic coastal drive south of Melbourne to the Mornington Peninsula and prepare to be inspired and delighted by this diverse, boot-shaped region.

First stop includes an opportunity to marvel at the panoramic views of the city, bay and peninsula from Arthurs Seat lookout. From here, delegates will meet our highly regarded local chef for a private, culinary expedition through the peninsula.

Each journey changes seasonally but groups may meet cheese makers, press olives and learn about olive oil production, pick berries, collect fresh seafood, go behind the scenes at a bakery, select juicy hydroponic tomatoes or learn about chocolate making.

Groups then arrive at a private kitchen with the produce they have collected throughout the day, and prepare for an afternoon of fun with an intimate, hands-on cooking class. Learn more about using local, seasonal ingredients and then feast on your creative work.

A private barrel tasting of local cool climate wines is also included.

Notes

Experience runs for approximately 9 hours.

Group sizes vary depending on the experience.

All classes require pre-payment to secure the event.
